

Hanging Planters

WHAT -Hanging flower baskets add a bit of nature and beauty to urban sidewalks and are very popular in walkable shopping districts around Chicago. A maintenance agreement can be agreed upon between the neighborhood association or chamber of commerce for upkeep. The metal brackets are bolted high enough to prevent vandalism but within street level view to be enjoyed by the public.

WHERE-Estimated 10-12 Light poles in 3 Shopping Districts in 45th Ward

Six Corners - Milwaukee north of Irving Park

Jefferson Park: Lawrence/Milwaukee or Lawrence/Austin

Gladstone Park - Mason to Medina

HOW MUCH: Total cost of \$25,000

Lincoln Park

South Loop

Hyde Park

- ❖ ***All hanging planter locations contingent on the signing of a Maintenance Agreement with a local Chamber of Commerce or Neighborhood organization to ensure proper stewardship and ability to cover costs***
